

*Established in 1995 to educate and protect families online.  
Welcome to the birthplace of the Internet's voluntary rating  
standard.*

# SafeSurf®

The original Internet rating system!

*SafeSurf serves families across the globe as the Internet rating standard of choice.*

Welcome to **SafeSurf**, birthplace of the Internet's voluntary rating standard and the first family organization devoted to building a safe Internet. This is where Internet safety started. We invite you to discover the wide variety of information sources we recommend and while you are at it, get your own web site content rated...It's FREE!
